

## Press Release

June 8, 2017

The Coalition of Eritrean Canadian Communities and Organizations (CECCO) will host a seminar to members of Eritrean Canadian community on Nevsun’s mining operations in Eritrea and its corporate social responsibilities policies.

Consistent with its mission CECCO remains a national body that represents Eritrean-Canadian communities. The primary purpose of this body is to foster good relations between Eritrea and Canada and between the people of both countries, promote cultural exchange and trade relations and represent our communities with a collective voice.

CECCO asks all interested individuals to register via the link below or register at the door.

Registration link: [www.eritreacanada.org](http://www.eritreacanada.org)
